**UTEP STUDENT ORGANIZATIONS**

**Health Occupations Students of America**

HOSA provides a unique program of leadership development, motivation, and recognition exclusively for secondary, postsecondary, adult, and collegiate students enrolled in health science education and biomedical science programs or have interests in pursuing careers in health professions.

**Texas Nursing Students’ Association**

Texas Nursing Students’ Association, Inc. (TNSA) at UTEP is a student nursing association dedicated to promoting professionalism and leadership for today's nursing students.

**National Student Nurses Association (NSNA)**

The National Student Nurses’ Association mentors the professional development of future registered nurses and facilitates their entrance into the profession by providing educational resources, leadership opportunities, and career guidance.

**Sigma Theta Tau International Honor Society- Delta Kappa Chapter**

Sigma Theta Tau supports the learning, knowledge and professional development of nurses committed to making a difference in the health locally and worldwide. This chapter also works collaboratively with UTEP SON administration and faculty to implement the SON pillars of excellence.

**Pre-Nursing Student Association (PNSA)**

The PNSA was established for the purpose of recruiting pre-nursing students into the nursing profession, raising awareness about what the nursing profession has to offer, providing networking opportunities with actual nursing students, and working alongside of TNSA.

**PROFESSIONAL ORGANIZATIONS**

**American Association of Colleges of Nursing (AACN)**

The American Association of Colleges of Nursing (AACN) is the national voice for university and four-year-college education programs in nursing with over 65,000 members around the world.

**American Nurses Association (ANA)**

The American Nurses Association (ANA) is the only full-service professional organization representing the nation's 2.9 million registered nurses (RNs) through its 54 constituent member associations. The ANA advances the nursing profession by fostering high standards of nursing practice, promoting the rights of nurses in the workplace, projecting a positive and realistic view of nursing, and by lobbying the Congress and regulatory agencies on health care issues affecting nurses and the public.
National League for Nursing (NLN)

The National League for Nursing advances excellence in nursing education that prepares the nursing workforce to meet the needs of diverse populations in an ever-changing healthcare environment.

Sigma Theta Tau International, Honor Society of Nursing (STT)

Through members, chapters and communities of practice, the honor society supports the learning, knowledge and professional development of nurses who strive to improve the health of the world’s people.

Texas Nurses Association

A statewide, membership-based association of registered nurses (RNs). Founded in 1907, TNA is the oldest professional nursing association in Texas. It contains members to represent all areas of the nursing practice.

Academy of Medical-Surgical Nurses (AMSN)

The Academy of Medical-Surgical Nurses (AMSN) is the only national professional nursing specialty organization dedicated to adult health/medical-surgical nurses and recognized as the world-wide leader for medical-surgical nursing practice.

American Association of Critical-Care Nurses

AACN is the largest specialty nursing organization in the world, representing the interests of more than 500,000 nurses who are charged with the responsibility of caring for acutely and critically ill patients. The association is dedicated to providing our members with the knowledge and resources necessary to provide optimal care to critically ill patients.

American Association of Occupational Health Nurses

The American Association of Occupational Health Nurses Inc. is the primary association for the largest group of health care professionals serving the workplace. The association is dedicated to advancing and maximizing the health, safety and productivity of domestic and global workforces by providing education, research, public policy and practice resources for occupational and environmental health nurses.

American College Health Association

The American College Health Association (ACHA) was founded in 1920 to serve and represent the diverse group of professionals who provide health services to the nation's campuses. It is the only association specifically dedicated to the field of college health.

Radiological Society of North America

Founded in 1915, the Radiological Society of North America is a professional membership society committed to excellence in patient care through education and research. More than 40,000 medical imaging professionals are members of RSNA, including radiologists, radiation oncologists, medical physicists and allied scientists. RSNA hosts the world's largest annual radiology meeting, publishes two highly respected peer-reviewed journals, offers opportunities to earn CME, and provides research and education grants to young investigators.

Association of periOperative Registered Nurses

AORN is a professional association that empowers the OR nurse with education, standards of practice, and peer networking.

Association of Pediatric Hematology/Oncology Nurses

APHON is the professional organization for pediatric hematology/oncology nurses and other pediatric hematology/oncology healthcare professionals. Its members are dedicated to promoting optimal nursing care for children, adolescents, and young adults with cancer and blood disorders, and their families. APHON provides leadership and expertise to pediatric hematology/oncology nurses by defining and promoting the highest standards of practice and care to the pediatric, adolescent, and young adult communities.

Association of Women's Health, Obstetric and Neonatal Nurses

The Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) is a 501(c)3 nonprofit membership organization that promotes the health of women and newborns. Our mission is to improve and promote the health of women and newborns and to strengthen the nursing profession through the delivery of superior advocacy, research, education and other professional and clinical resources to nurses and other health care professional.

Emergency Nurses Association

Whether you are a staff nurse or manager in an emergency department, an administrator, prehospital, flight, pediatric or trauma emergency nurse, an emergency clinical nurse specialist, nurse practitioner, student or educator, you can benefit from membership in ENA. No matter your level of experience, or the size of your emergency department, membership in ENA contributes to your professional growth. The mission of the Emergency Nurses Association is to advocate for patient safety and excellence in emergency nursing practice.

Infusion Nurses Society

The Infusion Nurses Society (INS), located in Norwood, MA, is a national nonprofit organization founded in 1973. Membership is open to all healthcare professionals from all practice settings who are involved in or interested in the specialty practice of infusion therapy. INS is dedicated to advancing the delivery of quality therapy to patients, enhancing the specialty through stringent standards of practice and professional ethics, and promoting research and education in the infusion nursing practice.

International Society of Nurses in Cancer Care

ISNCC is the international voice of oncology nursing dedicated to the protection and preservation of health and the relief of cancer-related sickness through the provision of education, research and international networking opportunities among cancer nursing groups and individuals.

National Association of Neonatal Nurses

The National Association of Neonatal Nurses (NANN) was formed in 1984 with the purpose of addressing the educational and practice needs within the evolving specialty of neonatal nursing, while giving all neonatal nurses national representation. NANN is the professional voice that shapes neonatal nursing through excellence in practice, education, research and professional development.
National Association of Pediatric Nurse Practitioners

With approximately 7,000 members, NAPNAP is the professional association for PNPs and other advanced practice nurses who care for children. Established in 1973, NAPNAP has been actively advocating for the children's health by; providing funding, education, and research opportunities to PNPs; influencing legislation that affects maternal/child health care; and producing and distributing educational materials to parents and families.

National Association of Nurse Practitioners in Women's Health

The National Association of Nurse Practitioners in Women's Health (formerly the National Association of Nurse Practitioners in Reproductive Health) was founded in 1980. NPWH's mission is to assure the provision of quality health care to women of all ages by nurse practitioners. NPWH defines quality health care to be inclusive of an individual's physical, emotional, and spiritual needs.

National Gerontological Nursing Association

The National Gerontological Nursing Association (NGNA) was founded in 1984, and is dedicated to the clinical care of older adults across diverse care settings. Members include clinicians, educators, and researchers with vastly different educational preparation, clinical roles, and interest in practice issues. A striking feature is the substantial number of certified gerontological clinical nurse specialists who select NGNA for membership.

Oncology Nursing Society

The Oncology Nursing Society (ONS) is a professional organization of over 35,000 registered nurses and other healthcare providers dedicated to excellence in patient care, education, research, and administration in oncology nursing. It's also the largest professional oncology association in the world.

Society of Gastroenterology Nurses and Associates, Inc.

The Society of Gastroenterology Nurses and Associates is a professional organization of nurses and associates dedicated to the safe and effective practice of gastroenterology and endoscopy nursing. SGNA carries out its mission by advancing the science and practice of gastroenterology and endoscopy nursing thorough education, research, advocacy, and collaboration, and by promoting the professional development of its members in an atmosphere of mutual support.

Society of Urologic Nurses and Associates

The Society of Urologic Nurses and Associates is a professional organization committed to excellence in clinical practice and research through education of its members, patients, family and community. Our vision is to be the nursing authority in the management of persons with urological healthcare concerns.
