UTEK STUDENT ORGANIZATIONS

Student Occupational Therapy Association (SOTA) at UTEP
Promotion of Occupational Therapy through fundraising, education, and community involvement.

American Occupational Therapy Association Assembly of Student Delegates
The Assembly of Student Delegates provides a mechanism for the expression of student concerns, and offers a means whereby students can have effective input into AOTA affairs.

Pi Theta Epsilon
Pi theta Epsilon (PTE) was developed as a specialized honor society for occupational therapy students and alumni. The society recognizes and encourages superior scholarship among students enrolled in professional entry-level programs at accredited school across the United States. Pi Theta Epsilon is sponsored by the American Occupational Therapy Foundation (AOTF).

Health Occupations Students of America
HOSA provides a unique program of leadership development, motivation, and recognition exclusively for secondary, postsecondary, adult, and collegiate students enrolled in health science education and biomedical science programs or have interests in pursuing careers in health professions.

PROFESSIONAL ORGANIZATIONS

American Occupational Therapy Association
The American Occupational Therapy Association (AOTA) is the national professional association established in 1917 to represent the interests and concerns of occupational therapy practitioners and students and improve the quality of occupational therapy services.

Texas Occupational Therapy Association
The Texas Occupational Therapy Association was established for the benefit of professionals and students of occupational therapy. Membership services include public relations materials, legislative information, practice forum, educational meetings and student services.

American Occupational Therapy Foundation
The American Occupational Therapy Foundation is a charitable, non-profit organization created to advance the science of occupational therapy and increase public understanding of its value.

National Rehabilitation Association
NRA members work to eliminate barriers and increase employment opportunities for people with disabilities. We provide our members opportunities for advocacy and increased awareness of issues through professional development and access to current research topics. Together, we work towards a society where there are no barriers, environmental or attitudinal, to full employment and participation in life.
We encourage you to speak to an advisor, faculty or a Career Center representative to discuss your specific interests.
