Lifecycle of a Student Employee

Christian Corrales, M.Ed
Director of Community Relations & On Campus Student Employment

THE UNIVERSITY OF TEXAS AT EL PASO
ON CAMPUS EMPLOYMENT OVERVIEW

Employment of undergraduate students at UTEP contributes both to the operation of the University and to the professional development of our students. Student employment opportunities are intended to encourage and assist UTEP students to complete their degrees.
UTEP Student Employment

A Campus Tradition: Working through college is a proud UTEP tradition. As key contributors to the UTEP community, On-campus Student Employees purposefully connect to faculty, staff, and fellow students, grow personally and professionally, and offset their educational costs. And they do all of this while going to classes and pursuing their educational and career dreams.
UTEP Student Employment

UTEP employs more than 2,000 students each year, filling a wide variety of roles across campus, including:

- Tutors
- Peer leaders
- Office staff
- Event planning
- Technology staff
- Library personnel
- Research Assistants
- Graduate Assistants
What skills do our students start with that give them a head start?

Our students gained the skills below through a variety of ways, including: family, working in high school, juggling multiple co-curricular activities, balancing school work and other commitments with home life, volunteer experiences, etc.

- Hard-working
- Purposeful
- Goal-oriented
- Problem-solving
- Bilingual
- Bicultural
- Time management
- Interpersonal skills
What does success look like for the student after engaging in this practice (outcomes)?

A successful on-campus student employee is:
• contributing financially to their academic and personal goals
• developing valuable, transferrable professional skills
• building a greater sense of connection and belonging to the campus
• forging new relationships and creating a network of colleagues, peers, and professionals
• enjoying the flexibility of an employer who works with their class schedules and values them as students first
