

UTEP Green Fund Advisory Board Application

This position is a way for students to have a voice as to where the green funds, that were implemented last spring, will go. If appointed to this position you will serve on a board to approve "going green activities" for the student body.

Please turn in the following application along with the additional resources to the Student Government Association office located at Union East Room 304.

Please check your UTEP email for updates on your application and interview schedules.

General Information:

Name: _____ Telephone Number: (_____) _____

UTEP ID: _____ UTEP Email _____

Major: _____ Classification: F S J S GRAD

Course Load: _____ hrs. GPA: _____

Questions: Please limit to 250 words or less

1. What are your Co-Curricular activities and the time required per week?
2. Why are you interested in being on this advisory board? What are your qualifications for being on this board (For example, experience with appropriations, finance, or environmental issues)?
3. What personal characteristics (strengths) would you bring to the board?
4. Describe a situation in which you resolved a conflict.
5. As a Board Member, you will be responsible for making decisions that represent the entire student body as well as the campus as a whole. On what basis will you make your decisions?

Additional Resources: Must include the following attached to your application.

1. Resume
2. Three letters of recommendation from UTEP faculty or staff members
3. Statement of Purpose
